

This is a detailed meteorological surface analysis map for North America, dated Wednesday, November 28, 1979, at 12Z. The map shows the following features:

- Title:** WED 28 NOV 1979
- Date/Time:** 12Z WED 28 NOV 1979
- Map Content:**
 - Pressure Contours:** Solid lines representing sea level pressure.
 - Wind Vectors:** Arrows indicating wind direction and speed.
 - Temperature/Dew Point:** Numerical values plotted at various stations.
 - Clouds/Precipitation:** Symbols indicating cloud cover and precipitation types.
 - Geographic Features:** Coastlines and major cities are labeled.
- Legend:** A box in the bottom left corner contains the following information:
 - NATIONAL WEATHER SERVICE
 - 12Z WED 28 NOV 1979
 - NOFS, NHC SURFACE ANALYSIS
 - ALLIN, OSUS 350
- Other Labels:** Additional date/time stamps like "12Z WED 28 NOV 1979" are visible in different parts of the map.
